

DILASA YAMAN

North Little Rock, AR • 501-891-7792 • dilasayaman1@gmail.com

SUMMARY

Passionate about combining technology and art to create meaningful websites. Looking for an internship where I can apply my creativity, technical skills, and customer experience to contribute to projects while growing as a front-end developer.

PROFESSIONAL EXPERIENCE

Web Designer, Center for Molecular Design and Development Mar 2026 - Present

- Design and maintain the CMDD website, improving page layouts, content, and user experience.
- Manage website hosting, domain settings, security updates, and technical troubleshooting.
- Support digital outreach by creating social media content and coordinating website promotions.

Part-time Brand Associate, Old Navy July 2024 - Present

- Assist shoppers, share detailed product knowledge, and process sales, returns, and exchanges.
- Restock merchandise, tidy fitting rooms, and organize store displays.
- Receive shipments, tag new items, and complete stock counts.

Secretary and Co-Founder, Girls Who Code College Loop, UALR Nov 2024 - Present

- Coordinate officer meetings, maintain organizational records, and support club activities and events.
 - Helped host a Women in Tech luncheon and assisted with a summer coding camp, connecting students with IT professionals and encouraging interest in computer science.
-

EDUCATION

Bachelor of Arts in Web Design and Development with an IT Minor

University of Arkansas at Little Rock | August 2024–Expected May 2028

GPA: 4.0

- Relevant coursework in Programming and Mobile Web Development.
-

PROJECTS

Buffalo River Getaway

- Developed a responsive tourism website for exploring local attractions and activities.
- Created a user-friendly layout with clear navigation and engaging visuals.

InsuraMatch

- Designed and developed an AI-powered health insurance comparison platform.
 - Led UI/UX and front-end work for the second-place, \$5,000-winning team.
-
